## It Grows Hair.

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store. M. E. Reddy.

The Ladies Aid Society of the Presbyterian church will meet with Mrs. C. A. Harris this Thursday afternoon.

T. W. Kitchen is out in Central and Western Kansas this week for a big wholesale and manufacturing clothing house.

Misses Audrey and Swannie Smith, who are attending the Cherokee County High School, were home over Saturday and Sunday.

Don't fail to hear Jerry Botkin next Saturday night in this city. Jerry is an old-time Methodist preacher, and he is a mighty interesting talker. He is just at the present time trying to get Phil Campbell's seat in Congress.

Al. Majors will be re-elected county attorney by a largely increased majority. He has made a good official in face of the fact that the grafting in places "higher up" has worked against him at every turn. When he refused to do any grafting himself, he was at once made the victim of persecution by the powers that be. But he has made good as an officer and is today more popular than he ever was before.

## New Play House.

Sullivan and Sinclair Open a Bran New Show House.

Sullivan and Sinclair have taken a lease on the Rehm building and have renovated it, refitted it, did a whole lot of things to it, and now have one of the nicest little play houses in the country. They have put in a stage, and in addition to running the best reels of pictures to be found anywhere, will also put on a regular vaudeville show. Nothing but the best of everything will go with this house, and that it will do a good business if this standard is maintained, goes without saying.

The opening was made last Saturday night, and there was a big attendance.

## Library Report.

The Library Board of Directors met last week and among other routine business appointed Lyon LeRoy librarian for the ensuing year, and heard his report of the condition of the library for the past year as follows:

The fourth year commences with an increase of 126 books over the year past, though a large part of the patronage has been devoted to the traveling libraries, of which we have used 250 volumes.

There are in the library at present 3,003 volumes, 2 daily papers, 7 weeklies and 12 monthlies.

11,812 books were read and returned to the library last year, being an increase over the previous year of 1,020 volumes.

## One Cent a Word.

A great many people have something they want to sell, or they want to buy or trade something. The best way to accomplish this is to advertise a little. The cost in the News is only a cent a word. Isn't that cheap enough? Perhaps you haven't advertised because you thought it would cost too much. But you can stand a cent a word.

## To Pittsburg.

The teachers of the Baxter schools went to Pittsburg yesterday (Wednesday) to visit the schools and observe the work. The day was one well spent.

## New Time Card.

New Time Card on the Frisco Went Into Effect Last Sunday.

A new time card went into effect on the Frisco last Sunday, October 16. There are no very radical changes, except in the night train, which has been going north at 11:50. That train has been taken off.

The trains for Kansas City will leave at 2:53 a. m., 7:07 a. m. and 10:15 a. m.

There is practically no change in the east bound trains, but the train leaving Joplin at 11 o'clock at night is off, and if you go to Joplin now you must get back home on the 6:10 p. m. train, or the 9:45 p. m. train. If you do not come on one of those trains you can not get back until 1:40 in the morning.

The new train, "The Hustler," will leave Kansas City at 5 p. m. and arrive here at 9:45 p. m. Going north the "Hustler" will leave here at 7:07, arriving at Kansas City at 11:59 a. m.

The corrected time card will be found in another place in this paper.

## A Bad Accident.

While working at the Big Chief mill last Saturday afternoon, A. G. Price of this city met with an accident which came near ending his life. He was knocked from the building by a swinging rope, and fell in such a way as to hurt his back, and for a time it was thought his back was broken. Later developments prove this to be true. His lower limbs are paralyzed, and his recovery is doubtful.

## For Constipation.

A Medicine That Does Not Cost Anything Unless It Cures.

The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store. M. E. Reddy.

## Jerry Botkin.

Will Speak in Baxter Springs Saturday Night—Other Speakers Will Also be Here.

The Hon. Jerry Botkin, Democratic candidate for congress from this district, will speak in this city on Saturday evening, October 22. The county candidates will also be here, and it is expected a big crowd will be out to the meeting, as Botkin is making some mighty good speeches this year. He is making some hard drives at different conditions confronting the country, but he is not in any sense an alarmist.

B. W. PATTON, City Clerk.

## The Gee Whiz!

The state law requires that the counties of the state report to the state auditor the 30th of each June the financial condition of the county. Here are the figures on the warrants outstanding against this county, and in this connection we want to remark that the amount of outstanding warrants against this county nine years ago was only \$19,904. Today they amount to \$63,558.

What is wrong? Why this enormous increase?

## Parr Breaks Arm.

There has been a big improvement in the Galeana Times since Bill Sapp bought it. And surely there was plenty of room for improvement.

Sunday evening, while driving, as he tried to turn the corner of River and East streets, the cart of Dr. Boswell was overturned and he and his wife were thrown out. Ed Miller was also in the cart with Dr. and Mrs. Boswell and he, too, took a header. Mrs. Boswell was bruised about the lower limbs and one elbow was skinned, but aside from the damage done to clothes and feelings there was nothing serious. There is a big stone on top of the end of a tiling, and that is what the cart wheel struck to overturn it.

We are here to please and amuse our patrons. Always welcome. Majestic Theatre.
